## Dear Counsel:

In light of the parties' request to cancel this week's status conference, I would appreciate an update by tomorrow on the following issues:

- <u>Revisions of Intel's Discovery Responses</u> Confirmation that Intel has revised its discovery responses to address the Court's ruling on the foreign conduct claims;
- Briefing Schedule for Scope of Discovery Given that the parties have requested a target hearing date of late November, please provide me with the parties' proposed briefing schedule; and
- Notification of Third Parties Please provide a proposed form of order that can be docketed in these cases notifying third parties that motion practice may begin as of December 21, 2006 to address third party discovery issues where no agreements have been reached.
